

UTTORAN – AN ENDEAVOUR

Like previous years, this year also we are going to organize "Sharodiya" just before Durga Puja. Durga Puja is the biggest festival of Bengal. Our effort is to reach the people who are unable to buy new clothes, to make their Puja a happy one.

Sharodiya will be celebrated in one or two villages in Bankura district. Place and date are yet to be finalized.

Request to all of you please raise your hand, be with us. You can donate old/new clothes or can donate money to buy clothes. Please donate washed old clothes which are in good condition.
